5910 Auburn Blvd #12
Citrus Heights, CA 95621
(916) 838-3838
allstagecaninedevelopment.com

In the interest of our clients, All Stage Canine Development Inc. has set vaccination requirements for our training facility. The vaccinations required are listed below;

- DHPP
- Bordetella
- Rabies
- Influenza

Taking any pet into public places results in exposure of many unwanted illnesses. Though vaccinating your dog does not completely protect them from all illnesses, we feel it is important to prevent as much exposure as possible.

All Stage Canine Development, Inc. understands there may be underlying reasons for not performing specific vaccines. Some of these vaccines may be waived, however no exception will be made for the Rabies vaccine. The decision of limiting or eliminating vaccines should be discussed with your veterinarian.

Pets Name

Breed

Age

I am the legal owner of the pet listed above. All Stage Canine Development, Inc. has advised me of the required vaccinations needed for services in the training center. I fully understanding the reasoning for this mandate and should my dog contract any illness, I will not hold All Stage Canine Development Inc. responsible in any manner.
